Complete transparency, real-time tracking with supporting photos, packages handled from A to Z by our teams.

MySodexi services are designed to offer a unique transportation experience, meticulously managing every step of the logistics process.

From the moment a shipment is entrusted to MySodexi, a comprehensive handling process is implemented, ensuring our clients' peace of mind.

Beyond logistical processes, MySodexi ensures transport confidentiality.

Each shipment is handled with the utmost discretion to guarantee the confidentiality and security of your information.

Furthermore, rigorous checks are implemented throughout the logistics process, from reception to final delivery.

A qualified agent is dedicated to transporting your package to the aircraft's hold. They are your guarantor and ensure short handover and delivery times.
